

I am asking for your vote as Councillor of MNBP for the following reasons:

- The recent Comprehensive Zoning By-law, with regards to the proposed Environmental Hazard zoning, is a huge issue and must be re-evaluated.
- Peninsula Infrastructure - parking, washrooms, waste management must be addressed
- Municipal Finances such as schools, hospitals, roads, marinas, arena and our volunteer fire departments are very important to our local area and need to be continually addressed
- I will promote our local tourism industry. It employs many of our taxpayers and residents
- We must keep a close eye on our local Policing and Waste Management contracts
- I encourage new job opportunities, however our geographic location can be an issue
- Farm Issues such as drainage, buildings and zoning are a concern of mine that must be addressed
- I am always open to taxpayer's opinions and concerns on all issues

We live in the best part of the world and our local way of life is the reason everyone wants to live here. When elected as a councillor, I promise to call a spade a spade! I will shoot from the hip and I will represent the municipality from the tip of the Bruce Peninsula to Lawrence Road. If you would like to see change, vote for James Mielhausen. (X) Thank you.
