2020 Memo #3

November 20, 2020

FROM: Peggy Van Mierlo-West, Chief Administrative Officer

RE: North Bruce Peninsula's Strategic Plan.

I am reaching out to you to ask for your continued support and input as part of the development of North Bruce Peninsula's Strategic Plan. As you may be aware, we began a process earlier this year to update the municipality's strategy to reflect the latest needs of the community. We had an excellent response to the survey we ran over the summer and now would like to invite you to participate in the next round of consultation.

The Municipality is moving forward into Phase 2 of our consultation. We will be hosting a series of three online working sessions each focused on a different topic: (1) Recreation, (2) Mobility, and (3) Safety. The sessions will be approximately 90 minutes in length in the evening and offer groups and residents an opportunity to provide input on priorities that should be in our next strategic plan. You may sign up for all of the ones that interest you.

If you are interested in participating, please sign up through the Eventbrite page with your email address. The dates and registration links for these meetings can be found below.

[Mobility Strategic Planning December 1st, 2020 6:00pm – 7:30pm](#)

[Safety Strategic Planning December 8th, 2020 6:00pm – 7:30pm](#)

A zoom address will be emailed to you the day of the event.

Thank you for your consideration, and please forward to anyone interested.
